**ALL EVENTS SUBJECT TO CHANGE**

Chapter W had 13 people attend and this is the second year that they went home with a certificate of appreciation from Chapter K. Thank you again Chapter W.

It would be really nice if we could have at least 13 people go to Chapter W's Dice Run on Saturday October 22. We will be meeting at the Newville rest stop on I 81 at 7:30 am. If you are planning to ride along please call us at 254-6067 as soon as possible. We would like to let them know how many of us are going. If you don't call us and want to ride along just show up anyway. The more the merrier.

We have three more weeks until we will be heading for Florida. The summers go much too fast for us. Hope everyone has a great winter. Jeff will be resigning as chapter director at the end of the year. We hope someone will step up to be John's assistant. Please consider it. If you don't want to step up later into his position at least you will have given it a try.

Take care and be safe,  
Jeff and Sandy

### **Assistant Directors Comments**

I would like to thank everyone who came and helped with the Hobo Stew. We had 43 people register. There were 3 chapters W, S, C and members of the Turnpike Ramblers. To everyone who helped "Great Job."

I would like a good turnout for the planing meeting on Oct 30, at Dale & Maria Bretz's to help plan next years activities. Remember this is your chapter and is only as active and fun as you make it. We will eat lunch at 12:00 noon followed by the planning meeting. Please bring a covered dish for lunch. This will be the last staff meeting until Jan 2, 2012. We are going to the Bonanza Steakhouse at 909 Walnut Bottom Rd. Carlisle Pa. This is a Monday due to the resturant being booked for the first Tuesday.

Remember the Christmas party on Dec. 9th at Larry & Grace Hughes. Call Grace if you plan to attend. There will be no gift exchange this year

I would like to take this time to thank Jeff & Sandy Martin for being chapter directors for the

last two years. Their last act will be the planning meeting they will be leaving for Fl. in early November. Have safe and enjoyable winter.

Respectfully,  
John & Glenda Leib ACD

### **Chapter Educators Column**

Wow ! What a week end. So many ideas to write about, so few of them remembered once I start.

Same thing I talk about every year at this time. Some of them don't count if you are on three wheels. Like apples, walnuts and leaves on the highway. These can be enough to cause a two wheeler to fall down. Of course a three wheeler can slide on leaves also. There is another hazard at this time of year, DEER. It doesn't matter what you are riding, hitting one can be big trouble.

If I can figure out how to use the Riders Ed data base, I will be working to get the 100% chapter enrolled. Guess what? Unless you want the patch, it is FREE, FREE, FREE.

Take care, ride aware,  
Denny

**Yes, it is that time of the year to start making plans to come and enjoy the fun at Chapter K's Christmas Party**

## Chapter Happenings

On Sunday October 9th, in the early, early morning a group of cold, hardy and hungry people gathered for breakfast and a ride. Chuck & Brenda who were to lead the ride were the last to arrive. The rest of us were getting worried as they were getting later and later. When they did come in the rest of us gave a big sigh of relief. They had a very tense ride down along the river from Halifax. Chuck said the fog was so thick he had trouble seeing the road. By the time we were ready to move out the fog had lightened up just a bit. We stopped at Sunset West to collect a member of Chapter F who wanted to ride along. George Snoberger, Rich Tressler and several members of Retreads were there. After a couple minutes talking to them our group moved on.

From Sunset we got on I-80 and stepped up the pace to make up some time. At DuBois we pulled into a Sheetz, only to find all the gas pumps were down. The gas station across the road was doing fine, so we rode over and gassed up. Jeff & Sandy left us to ride home to take care of Maggie. The rest of us rode up Rt 219 to Ridgway in hopes of finding a good place to stop for lunch. The Lumberjack Steak and Seafood worked out very well.

After lunch it was not long till we were in Mt Jewett and looking for the turn off to the Knizua Bridge.

( continued )

From Mt Jewett on there were a lot of bikes. I would guess that a lot of riders wanted to get a good last ride of the season before putting their bike away. It sure was a great day for an all day ride. The trees were showing a lot of color, sunny weather and after a cold start, warm temps. What more could a person ask for.

Vehicles were parked along the road for quite some distance from the bridge. Chuck kept moving and we found enough parking spots very near to the bridge. I was amazed at the number of people there. One side of the bridge had a line of people going out to the end and the other side had a line coming back. Some of the group went all the way out to the end. The way I am with heights, I stopped part way out. I noticed other people who stopped before they got to where I did.

Soon it was time to get on our way. We rode Rt 6 to Coudersport where we stopped at a Sheetz with working gas pumps. We filled the bikes and emptied our bladders. All this time there was a never ending stream of bikes stopping for gas. Chuck lead us onto Rt 362 along Pine Creek and into Wellsboro.

There was a very nice piece of blacktop that had a sign stating that Chesapeake energy had paid for it. I think they should as their trucks beat the old road.

At Morris, Dick, the guy from chapter F left the group and headed home. The rest of us rode over to Rt 15 and kept moving until we got to Shamokin Dam, where we stopped for supper. John said "so long. I will see you Sunday" and kept going. After supper Chuck & Brenda headed for the other side of the river and Rt 147. Brian & Sandy pulled ahead leaving Dale & Maria riding as tail gunner for Kitty & myself.

For those who thought about going and didn't, you missed a great ride. Yes, 6:30 AM till 9:30 PM is a long day. With the breaks we took, it was very do able. For Kitty & I it was 440 miles, door to door.

### Quote of the Month

I don't feel old. I don't feel anything until noon.

Then it's time for my nap.
